ADMISSION POLICY WITH MINOR CHANGE

Our current and prospective students are our asset. At this time our top priority is to minimize disruption and loss of education of our current and prospective students. By keeping in view the current situation, Sukkur IBA University has made some changes in some policies.

The following are the policy changes:

1. Eligibility Criteria for the admission in Fall 2020 at Sukkur IBA University (Main Campus and Sub-Campuses:

- Candidates who have passed Ist year of Intermediate / F.Sc with 50% marks and 60% (in case who apply for Engineering Programs) with no subject failure and waiting to take exam of second year of Intermediate / F.Sc or waiting for final results or in final year of A Level / Equivalent are eligible to apply and join Sukkur IBA University after successfully completing the required admissions procedure.
- The admissions of such candidates (who are waiting to take exam of Intermediate/F.Sc/ waiting for final results or in final year of A Level / Intermediate / Equivalent) will remain provisional subject to the condition of appearing in final year exams in 2020 and submitting the result on or before January 2021.
- Intermediate/F.Sc percentage marks required for all undergraduate programs will be the same.
- Admission will be confirmed once the candidates meet the required criteria. In case candidates are unable to achieve the required grades / percentage in Intermediate/F.Sc, their provisional admission shall stand cancelled, and the offer of admission will be withdrawn.

2. Summer and Crash Programs 2020:

- Summer and Crash programs 2020 will not be announced for the year 2020.

3. Sukkur IBA University Aptitude Tests for Fall-2020:
